

Daughters of Divine Charity

Please partner with us in our mission.

“We, the Daughters of Divine Charity of Holy Family Province, make God’s love visible in the world by reaching out to those in need, especially to women, youth, and the elderly.”

The Legacy League offers you the possibility of making regular monthly gifts through a credit card or bank check. A monthly gift might be a more efficient way to spread out your annual gift. It can be easier and often less of a burden to make smaller regular payments during the year, and you can more easily budget your charitable giving.

You are invited to consider becoming a Legacy League member at the minimum \$10 a month level. You may feel you can stretch to \$15 a month, or 50¢ a day. What an amazing monthly gift \$25 would be, as many of our monthly givers now donate.

Please detach and return in envelope provided.
